PRESIDENTS ADDRESS

Dear Members,

It is with considerable honour that I address you in my capacity as President of the Irish Angus Cattle Society. I am pleased to formally acknowledge the appointment of **Joe Moran** as Vice President and anticipate a constructive and productive working relationship in the year ahead. I wish to formally commend the Council Members for their sustained commitment and conscientious service throughout the year. I also extend my sincere appreciation to **Patsy Keenan, Breeda McWeeney, and Yvonne Brady** for their professionalism, accuracy, and continued dedication to the administration of the Society.

The Irish Angus breed has maintained a strong and consistent level of demand over the past year. The Society's **Elite Sale**, which remains a cornerstone of our annual calendar, once again delivered a highly successful outcome. I wish to record my thanks to the judge, **Daniela Wintereder**, from Austria, whose expertise, integrity, and professionalism were evident throughout the event.

I am pleased to formally recognise **Joe McCormack** of the **Steil Angus Herd**, Tulsk, County Roscommon, on his induction into the **Hall of Fame**. This distinction reflects his longstanding contribution to the Angus breed and the Society.

The level of participation by Irish Angus members at agricultural shows nationwide was both notable and encouraging. I extend my congratulations to all exhibitors who achieved success throughout the season. Particular acknowledgement is due to **Dunleavy Meats, Ballina**, in conjunction with **Irish Angus**, for their sponsorship of the **inaugural Angus Bull Calf Competition held in Moate**. I also wish to thank **Norman Little** for undertaking the role of compere with professionalism and enthusiasm.

The **All-Ireland Championships in Strokestown** once again demonstrated the exceptional quality of Irish Angus cattle. I wish to acknowledge the efforts of all individuals involved in the organisation and execution of this event, with special recognition afforded to the **Strokestown Committee**. I also extend my gratitude to **Luis Paulino Martins** for travelling from Portugal to officiate as judge.

Congratulations to **Thomas Mulligan** of the Clooncarne Herd who won the Supreme Champion at the All-Irelands in Strokestown.

The Society is particularly grateful to **Michael Maxwell** for his ongoing support in the export of both pedigree and non-pedigree Angus cattle. We were pleased to collaborate with **Luis Martins** of Aberdeen Angus Portugal, and we sincerely thank **Luis Gomes** and **João Pedro Medalhas** for their confidence in, and purchase of, Irish Angus cattle. The opportunity to present the quality of Irish Angus breeding to international buyers was most welcome.

In closing, the Irish Angus Cattle Society wishes to formally acknowledge and thank all sponsors for their continued and valued support of the Society's events and initiatives throughout the year.

Gerard Kilgallon

Thank you to the Irish Angus Cattle Society for inviting me to judge the legendary Irish Angus Elite Show and Sale 2025 in Carrick-on-Shannon this December.

Almost 100 entries in a one-day event is an incredible achievement. I saw outstanding quality in both bulls and females, excellent showmanship in the ring especially from the junior exhibitors, an enthusiastic crowd, and very solid sale results in the afternoon.

Thank you for your wonderful hospitality, to the excellent ring stewards who made sorting large classes such a smooth process, and to all breeders for demonstrating what true camaraderie in the Angus community looks like. A day to remember.

In 2025, I was fortunate to travel to many different countries across three continents, always for Angus-related work. It's remarkable how this breed continues to thrive in such diverse environments.

At the same time, we are facing significant challenges in Western Europe. As someone who would much rather spend the day outdoors being productive, I struggle with the ever-growing bureaucracy, excessive documentation, and overregulation.

On the positive side, the market is stronger than it has been in decades, worldwide. As Angus breeders, we have enormous potential to produce beef in a way that is healthy, ecological, and economically sustainable, especially when we focus on the functional maternal traits for which this breed is so well known.

Our mission must be to make Europe a farmer-friendly place again, where we are measured by the results of our work: healthy food, fertile soils, and the diverse environments we help create.

I look forward to seeing many of you at the European Angus Forum in Romania this May.

With best wishes for a successful and rewarding 2026,
Daniela Wintereder

The 2025 Elite Show & Sale proved to be a highly successful event, delivering a strong trade, excellent clearance and showcasing the depth of quality available from breeders across the country. With solid buyer confidence evident throughout the day, elite once again reinforced its reputation as a premier outlet for top-class pedigree cattle.

A sincere thank you is extended to our judge, **Daniela Wintereder of Austria**, for officiating at this year's Elite Show & Sale. Her expertise, professionalism and consistency were evident across all classes, and her commitment to the task was greatly appreciated by exhibitors, breeders and spectators alike.

The council would also like to express heartfelt gratitude to all **breeders, exhibitors and purchasers** who supported the event. Sincere thanks are extended to our main sponsor **Connolly's Red Mills** for their continued backing, along with our dedicated **stewards**, **Jim Dockery (safety officer), Auctioneers**, **Lourda**, and the **Midland & Western Committee**, whose hard work and co-operation ensured the smooth and professional running on the day. We wish all purchasers every success with their new purchases and look forward to seeing them progress in the years ahead.

A special word of thanks is also due to **Tricia Kennedy and Catherina Cunnane**, for their professional coverage of the event and for capturing the atmosphere, quality and key moments of the day with such clarity and attention to detail.

From a sales perspective, the 2025 Elite Show & Sale delivered a very positive outcome. The sale achieved an **overall clearance rate of 80%** across both bulls and heifers, with an **average price of €5,300**. Top prices peaked at **€9,200 for bulls** and **€9,000 for heifers**, with the heifer top price achieved on **three separate occasions**, reflecting strong demand for elite pedigree females.

Championship animals were well supported in the sales ring. The **Senior Male Champion, Steil Avatar**, sold for €7,600, while the **Reserve Senior Male Champion, Molloy Alainn**, achieved €5,600. In the junior male section, the **Junior Male Champion, Driney Atomic Bomb**, sold for €8,000, with the **Reserve Junior Male Champion, Charraigach Avicii**, realising €4,300. On the female side, the **Senior Female Champion, Loughlynn Wild Rose**, sold for €5,000, while the **Junior Female Champion, Millbawn Autumn Star**, attracted strong interest and sold for €9,000.

The top-priced animal and bull of the sale was **Lot 17, Driney Ace of Spades**, which sold for an impressive **€9,200**. Bred by **Gerard & Patrick Regan**, Driney, Loughglynn, Castlerea, Co. Roscommon, this outstanding young Angus bull generated strong interest throughout the sale and was keenly contested before emerging as the overall sale topper.

The female section produced an outstanding trio of top prices at **€9,000**. **Lot 88, Millbawn Autumn Star**, the Junior Champion, stood out from the moment she entered the ring. A stylish, well-balanced heifer by **Intelagri Matteo E.T.**, she was bred by **Amanda Bogan & Conor Craig**, Coolarty, Edgeworthstown, Co. Longford. **Lot 83, Loughglass Alexa**, another crowd favourite, combined excellent length and shape. Sired by **Keirsbeath Karma**, she was bred by **Noel & Lisa Dowd**, Loughglass, Creggs, Co. Roscommon. Completing the trio was **Lot 79, Laheens Ariana**, a heifer with outstanding breed character. By the noted sire **Elliot Bravo T452**, she was bred by **Cormac Duignan**, Laheens, Eslin Bridge, Carrick-on-Shannon, Co. Leitrim, and attracted strong ringside interest before selling for €9,000.

Beyond the top prices, trade was consistent throughout the catalogue, with multiple animals achieving prices between **€7,000 and €9,000**. Strong demand was evident for both bulls and heifers, and repeat purchasers featured prominently, highlighting continued confidence in the quality of cattle presented. Buyers were drawn from a wide geographic spread, underlining the national appeal of the Elite Show & Sale.

Overall, the 2025 Elite Show & Sale once again demonstrated the strength of the breed, the high standard of stock presented by breeders, and the confidence buyers continue to place in Elite genetics. With strong clearance, competitive bidding and excellent support from breeders and purchasers alike, the event concluded on a very positive note and further cemented its place as a key date in the pedigree calendar.

Senior Male Champion Steil Avatar

Sold €7,600

Breeder: Cathal & J.J. McCormack, Steil, Tulsk, Castlerea, Co. Roscommon

ALL IRELAND IRISH ANGUS CHAMPIONSHIPS

All-Ireland Irish Angus Championships & YDP Showmanship Shine at Strokestown Show 2025

The **2025 All-Ireland Irish Angus Championships**, was held again at **Strokestown Show on September 13th**, proved to be a landmark occasion for the breed, delivering exceptional entries, record participation across multiple sections and a superb standard of cattle that underlined the continued strength and momentum of Irish Angus breeding nationwide.

With a comprehensive schedule of pedigree and commercial classes, alongside a hugely successful **YDP Showmanship programme**, the event showcased Irish Angus cattle from the very youngest calves through to senior stock, attracting exhibitors from all corners of the country and reinforcing the Championship's position as one of the most important dates in the Irish Angus calendar.

Outstanding Standard Across a Wide Range of Classes

From early-born 2025 calves right through to cows,junior and senior classes, the depth and consistency of quality across all sections was a standout feature of the day. The All-Ireland programme included an extensive range of classes for **bull calves, heifer calves, junior and senior bulls and heifers, cows with calf at foot, breeding females**, as well as **group and breeder pair classes**, ensuring opportunities for herds of all sizes and systems to compete at the highest level.

Judges **Darragh Barlow and Luis Paulino** were faced with challenging tasks throughout the day, as the level of correctness, mobility, breed character and functional performance on display made for keenly contested rings. Their clear, professional and consistent judging approach was widely praised by exhibitors and spectators alike.

All cattle in the relevant junior classes were weighed on the day by **Tom O'Reilly**.

Record-Breaking YDP Showmanship Section

One of the major highlights of the event was the **Irish Angus YDP Showmanship Programme**, which recorded its **largest ever junior entry**, with **18 competitors in the under-13 section alone**. This remarkable turnout reflected the continued growth and success of the Society's youth development initiatives and the strong level of support from families and breeders.

Judging of the YDP section was carried out by **Darragh Barlow of the Gurtavoher Herd, Co. Tipperary**, who was highly complimentary of the standard of stockmanship, preparation and ring craft shown across all age groups. The Intermediate and Senior sections were equally well contested, with competitors demonstrating confidence, professionalism and a genuine understanding of their cattle.

The YDP programme once again highlighted the bright future of the breed, with young handlers displaying the skills, enthusiasm and commitment that will carry Irish Angus forward for generations to come.

Significant Prize Fund and Prestigious Awards

The 2025 Championships were supported by a **substantial prize fund**, with generous prize money paid right down the line in most classes, reflecting the Society's commitment to rewarding participation as well as excellence.

Championship honours on the day included Junior and Senior Male and Female titles, culminating in the **Supreme Irish Angus All-Ireland Champion 2025**, a highly coveted accolade accompanied by prestigious perpetual trophies and sashes. Special awards such as the **Mullooly Trophy**, **Sheahan Perpetual Cup**, **W.H. Liitle Cup, AW Ennis Shields**, and the **Michael Foley Cup** added further prestige to an already outstanding prize list.

The strength of the prize fund and the quality of trophies on offer played a major role in attracting such strong entries and ensured that exhibitor's efforts were appropriately recognised.

Strong Partnerships and Valued Sponsorship

The success of the 2025 All-Ireland Irish Angus Championships would not have been possible without the continued support of key partners and sponsors. The Irish Angus Cattle Society was delighted to work closely with **Strokestown Show** and its dedicated committee, whose professionalism and organisation ensured a smooth and welcoming event for exhibitors and spectators alike.

Sincere thanks are extended to our Sponsors; **FBD, AW Ennis, Farm Lab Diagnostics, Progressive Genetics, FRS Fencing Boyle** and **Strokestown Show** who contributed to the success of the Championships.

Acknowledgements and Appreciation

The Irish Angus Cattle Society would like to extend sincere thanks to **Strokestown Show** for their continued support.

Special appreciation is extended to all **exhibitors**, whose dedication, preparation and sportsmanship ensured such a high quality and competitive event. Thanks are also due to **Tricia Kennedy**, whose photography captured the atmosphere and excellence of the day, and to **Norman and Joy Little**, who expertly fulfilled MC duties and kept proceedings running smoothly.

The Society is deeply grateful to judges **Luis Paulino Martins** and **Darragh Barlow**, whose professionalism and expertise were central to the success of both the cattle and YDP sections.

Special thank you to Oliver Flanagan, John Farrell and John Dayton, our Ring Stewards on the day

A Showcase for the Present and Future of Irish Angus

The scale of entries, the quality of cattle on show and the record participation in youth classes clearly demonstrated the strength of Irish Angus breeding in 2025. The All-Ireland Championships at Strokestown Show delivered not only a celebration of elite pedigree cattle, but also a powerful statement about the future of the breed.

With strong breeder support, committed sponsors, and a new generation of young stockpeople coming through, the Irish Angus breed continues to go from strength to strength — and the All-Ireland Championships remain a flagship event worthy of that progress.
