PRESIDENTS ADDRESS

To All Irish Angus Breeders,

Firstly, I wish to extend my sincere thanks to all breeders who supported agricultural shows throughout the past year and who proudly exhibited their cattle. Your continued commitment and enthusiasm are vital to the promotion and development of the Irish Angus breed. I would also like to extend a warm welcome to our new members and wish them every success as part of the Irish Angus Cattle Society.

The sale of Angus cattle, both commercial and pedigree, reached an all-time high last year. This strong demand has been clearly reflected in both show and sale rings across the country and highlights the continued confidence in the quality and performance of Irish Angus cattle.

As we look ahead to the forthcoming show and sale season, we remain optimistic that it will prove to be another successful year for breeders. The level of participation by Irish Angus members at agricultural shows nationwide was both notable and encouraging. I extend my sincere congratulations to all exhibitors who achieved success throughout the season and who continue to promote the breed to such a high standard.

I would also like to acknowledge the support of Dunleavy Meats, Ballina, in conjunction with Irish Angus, for their sponsorship of the inaugural Angus Bull Calf Competition held in Moate. Their contribution is greatly appreciated and plays an important role in supporting initiatives that encourage participation and excellence within the breed.

Thank You,

Gerard Kilgallon
Irish Angus President
