SALE
MID TIPP
THURLES MART
MartEye™
Friday 5th September 2025 at 7 p.m.
Mid Tipp Mart, Thurles, Co. Tipperary

Register to Bid

To participate in this sale, you must register your intention to purchase with Mid-Tipp Co-operative Mart in order to be issued a bidding number.

Pre-Registering

You can register:

- **By phone:** Mid-Tipp Mart – +353 (504) 21499
- **In person:** Friday, September 5th at the Mart in Thurles

Telephone Bidding:
Telephone bidding will be available on Friday, September 5th

If you require assistance, please contact:
Murt Ryan

Online Bidding

To bid online:

1. Download the Marteye app from the App Store or Google Play
2. Register with Mid-Tipp Mart to view and bid live during the sale

Health Status

TB Status: C10 clear
– Annual herd test completed July/August 2025
Vaccinations:
– All calves are double vaccinated with Tribovax T and Bovipast

Export Information

Any heifer purchased for export will return home, be retested, and exported after 30 days.
For export enquiries, please contact us in advance of the sale.
Transport available throughout Europe at purchaser's expense.

Please refer to the Conditions of Sale at the end of the catalogue.

Portauns Angus Herd

The Portauns Angus herd was established in 1997 with the purchase of three foundation females. One of these was **Black Orchid of Ballyguile**, who founded our renowned **Beatrice cow family** — a line that performed exceptionally well at the recent **Mogeely Dispersal.**

Over the past 28 years, we have selectively added a few key females to our herd. Among the most influential was **Colgagh Trudy**, purchased in 2002. She went on to breed **Portauns Volcano (AA2259)** and left us with the incredible **"V" cow family**, which continues to thrive in our program.

Today, the **Portauns Herd** comprises of **90 hard-working Angus cows, with 90% of our bulls sold directly from the yard each year.**

Our Breeding Philosophy

For nearly three decades, our breeding objectives have remained clear:

1. Quality cattle with performance
2. Proper Angus character
3. Calving ease

Through a careful balance of **artificial insemination (A.I.)** and **stock bulls**, we've made consistent genetic progress in our herd.

Influential Stock Bulls

We've been fortunate to use some outstanding bulls that have left a lasting legacy, including:

- **Gigginstown House Drew**
- **Ballykeevican Kaptain**
- **Ballycasey Liam**
- **Portanes Nigel**
- **Liss Man K089** - joined us in 2011 and made a major impact

Our most recent senior stock bull, **Liss Mandrin V847,** has truly elevated the herd. His progeny are **naturally thick, deep-bodied cattle with excellent fleshing ability.** His daughters have proven themselves as milky, maternal cows that raise exceptional calves.

Unfortunately, Liss Mandrin is no longer with us due to injury. However, his legacy continues through his son **Portanes Vigourous**, retained from our standout **Gail cow family**. This family also made headlines at the recent Mogeely Dispersal, where **Portanes R Gail** sold for **€9,100** and her daughter **Mogeely Lady Hail** for **€9,800**.

A.I. Sires Used Extensively

Some of the top A.I. sires we've used to enhance our herd include:

- **Mogeely Joe**
- **Liss Brendan**
- **Keirsbeath Karma**
- **Liss Mirt**
- **Kealkil Prime Lad**
- **Luddenmore Fionn**

Heifers for Sale

The group of heifers currently being offered for sale encapsulates everything we have worked toward over the last 28 years. These females represent **performance, character, and maternal power** — the cornerstone traits of the Angus breed.

We believe they will add real value to any herd and are confident they have bright futures ahead of them.

We would like to thank the **Ryans** and **Mount Angus Herds** for partnering with us in offering this **superb run of 60 Angus heifers.**

Service Sires

Fellfort Magic Z655

- **€220 Replacement Index**
- **€161 Dairy Beef Index**
- **€95 Terminal Index**
- **Dam**: Fellfort R Lil 1315 – sold for **€7,000** at the recent **Fellfort Dispersal**

This bull brings outstanding maternal value combined with excellent carcass and conversion traits — a well-balanced sire with proven genetics.

Portanes Vigourous

- **€165 Replacement Index**
- **€143 Dairy Beef Index**
- **€110 Terminal Index**
- **Sire: Liss Mandrin V847**
- **Dam Line:** From our exceptional **Gail cow family**

A powerful homebred sire, **Portanes Vigourous** carries the depth, fleshing ability, and maternal strength of his sire **Liss Mandrin**, while the **Gail cow line** continues to prove its worth both in the yard and the sale ring.

Mount Angus Herd

The **Mount Angus Herd** was established in **Autumn 2016** with the purchase of **Portanes M Vanessa**, who was crowned **Champion at the Munster Irish Angus Autumn Premier Sale** in Kilmallock. This outstanding female laid the foundation for what has become a focused and steadily growing pedigree Angus herd.

Over the past decade, the herd has expanded to **20 high-quality cows**, with strategic purchases from leading herds including **Portanes, Luddenmore, Brookfield, Prospect**, and most recently, the **Fellfort Dispersal**.

Breeding Focus

Mount Angus places a strong emphasis on **maternal strength, functionality**, and **breed character**, while incorporating top bloodlines to enhance genetic gain. We are proud to offer females in this sale from some of our strongest cow families — particularly the **Vanessa** and **Beatrice** lines.

Our current **stock sire, Drumcarbin Warrior**, was the **top-priced male at the Irish Angus Elite Sale 2024**, purchased in partnership with the **Portanes Herd.** We believe he will play a pivotal role in taking our breeding program to the next level.

Recent Highlights

- **Mount Vanessa** – Sold for **€7,700** at the **Irish Angus Elite Sale 2023**
- **Mount Veronica** – Sold for **€5,000** at the **Irish Angus Elite Sale 2024**
- **Mount Tabitha** – **Reserve Junior Female Champion** at the **Irish Angus Elite Sale 2020**

With a clear vision and strong genetic foundation, Mount Angus is committed to producing females that perform both in the yard and the ring. We are proud to present this offering and are confident these heifers will be a valuable addition to any herd.

Ryans Angus Herd

The **Ryans Angus Herd** was founded in **2005** with the purchase of pedigree heifers from the **Turlough Herd** of the late **Martin McHugh**. From this group of heifers emerged the **Willow cow family**, which has since bred exceptionally well within our program.

The herd has grown steadily through **natural expansion** and **select purchases** from leading pedigree Angus dispersal sales. Today, the herd consists of **30 pedigree Angus cows** and is run exclusively on **A.I. breeding**, using only the **best available genetics**.

Our Breeding Philosophy

From the beginning, our focus has been to **respect the fundamentals of the Angus breed:**

- **Easy calving**
- **Maternal strength**
- **Early maturity**
- **Easy fleshing**

These core traits are at the heart of every breeding decision, alongside a strong emphasis on **maximising genetic gain** through **high-index sires**. Our herd development has been shaped by establishing and refining our own **cow families** that consistently meet these standards.

We are proud to offer heifers in this sale from many of our best families, including:

- **Hope**
- **Willow**
- **Frisky**
- **Cystal**
- **Jeorgina**

Show & Sale Ring Success

The Ryans Angus Herd has enjoyed consistent success in both the **show ring** and **sale ring** in recent years.

Some notable achievements include:

- **Ryans Ringo** – Reserve Bull Calf Champion (Intermediate), Aldi Irish Angus All Ireland 2019
  - Purchased by the Irish Angus Cattle Society for their **Breed Improvement Programme**
- **Ryans Vernon** – Junior Male & Overall Junior Champion, Irish Angus All Ireland Finals 2023
  - Junior Male Champion at the **Irish Angus Elite Show & Sale 2023**

- **Ryans Victorious** – Bull Calf Champion (Intermediate), Aldi Irish Angus All Ireland 2023
  - Purchased by **Dovea Genetics** at the Irish Angus Elite Show & Sale 2023
- **Ryans Whitney** – Junior Female Champion, Irish Angus All Ireland Finals 2024
  - Junior Female Champion and **top-priced animal** at the **Irish Angus Elite Show & Sale 2024**
    - Only beaten once in her age category across all summer shows in 2024
- **Ryans Wanna Be Red** – Overall Champion, Munster Angus Breeders Premier Sale 2025
  - Set a **record price** at the sale

For This Sale

We are offering a **uniform group of quality heifers**, bred by **top A.I. sires**, combining **performance, maternal ability**, and **breed character**. These females are suitable for both **established breeders** and those looking for **foundation females** to build a future upon.

We thank all bidders and buyers for their interest and support and wish each purchaser **continued success** with their new heifers.

Thank You

On a final note, we would like to extend our sincere thanks to:
- The **staff at Mid-Tipp Mart** for their continued help and support
- Our **professional auctioneer, Thomas J. Cox**, for his expertise on the rostrum
- **Alfie Shaw** for the excellent quality photography
- And to **all who assisted before and during the sale** — your help is greatly appreciated

We wish all purchasers the very best of luck with their new additions and many years of **successful and rewarding breeding** ahead.

Contact Details:

- **John Lynch** – Portauns Angus | 087 6605506
- **James Kelly** – Mount Angus | 085 7644791
- **Ger Ryan** – Ryans Angus | 086 6006182
  - Email: ryansangusherd@gmail.com

Lot 29A – Recipient Heifer

Tag Number: 372217306330329
Due Date: 5th December 2025
Carrying: Female embryo calf

Sire: Rawburn Boss Hogg N630
Dam: Ryans Lady Jeorgina

This recipient heifer is carrying a **pedigree Angus heifer calf,** a **half-sister** to the outstanding **Ryans Whitney,** who achieved:

- **Multiple prizes** at summer shows throughout 2024
- **Junior Female Champion 2024** at the **Irish Angus All Ireland Finals, Strokestown**
- **Junior Female Champion** at the **Irish Angus Elite Show & Sale 2024, Carrick-on-Shannon**
- Sold for the **top price of €8,000** on the day

Pedigree of Embryo Calf
Sire: Rawburn Boss Hogg N630
TC Freedom 104 x Hoff Blackbird 594 5218

Dam: Ryans Lady Jeorgina
Mogeely Joe H979 x Ryans Jeorgina
(Luddenmore Fionn)

Predicted Indices (Parentage Average):
- **Replacement Index: €150**
- **Terminal Index: €80**
- **Dairy Beef Index: €132**

A Rare Opportunity
This is a unique chance to acquire a future star — a half-sister to an All Ireland Champion, bred from two of the breed's most proven lines. With both show-winning potential and performance genetics, this calf is an ideal prospect for elite Angus breeding programs.

GENOMIC EVALUATION

Charity Lot - Lot 41

The dam of **Lot 41** was originally won in a charity raffle organized by **Brian Carroll (Coolderry Angus)** in support of **Cancer Research.**
In keeping with that spirit of generosity, **100% of the proceeds from the sale of this heifer will be donated to Cuan Mhuire Rehabilitation Centre**, a vital service offering support and recovery to those in need.
Your bid not only supports quality breeding – it supports a life-changing cause.

The sires used in the flush are **Mogeely Joe H979** and **Bohey Jasper** – offering elite genetics and strong performance potential.

Lot 61 – Portauns Angus

Two Embryos – Logboy Gail x Mogeely Joe (MLJ)

An opportunity to invest in the renowned **Gail cow family,** which made headlines at the recent **Mogeely Sale:**

- **Portauns L Gail** sold for **€9,100**
- Her daughter **Mogeely Lady Gail** sold for **€9,800**

This lot offers **2 embryos** from **Logboy Gail (IE311601210567)**, a **Luddenmore Fionn daughter**, flushed to **Mogeely Joe (MLJ).**

Lots 62 & 63 – Mount & Portauns Angus

Four Embryos Total – Sold in Two Lots of Two
From the world-famous **Flora cow family,** originally acquired at the **Mercury Dispersal Sale.**

- **Donor Cow: Luddenmore Flora J016 (IE241904110016)**
  - **Sire: Youngdale Touchdown**
  - **Dam: Netherton Flora B162 (Ranui Impact)**
  - **Lineage traces back to TLA Northern Samurai**

Flushed to:

- **Keirsbeath Karma (AA4638)**
- **Stouphill Bomber (AA5373)**

A premium genetic package from a globally admired maternal line.

Please Note:

Bid price is per embryo

Embryo transfer charges may apply

PEDIGREE CATTLE BREEDERS COUNCIL OF IRELAND

CONDITIONS OF SALE TO APPLY ON ALL SALES OF PEDIGREE CATTLE

1. These Conditions (and where appropriate at auctions, these Conditions together with the General Auction Conditions of Sale), form the basis of the contract between the vendor and the purchaser, and from the contract all conditions and warranties implied under the sale of Goods Act 1893 and the Sale of Goods and Supply of Services Act 1980 or any other statutory enactment or implied by any law or custom or usage are expressly excluded.
2. In the event of a Sale by Auction and there arising conflict between these conditions and the General conditions of the Auction, these conditions shall prevail.
3. All animals are sold as they stand, and the purchaser is deemed to have examined each animal and fully satisfied himself about the animal prior to sale.
4. Save as herein after provided, no warranty whatever is given as to the performance or fertility of any bull and the purchaser is hereby invited to insure against this or any other risks connected with the bull, at his own expense.
5. The vendor shall and does hereby provide the following guarantee as to the fertility with each bull sold.

(a)No guarantee whatever as to fertility is given with any bull under the age of nine months at the date of sale, unless otherwise stated in writing.

(b)Subject to the Conditions hereinafter set out, the vendor guarantees that the bull is capable of putting a cow or heifer in a state of pregnancy by natural service within four months of the date of sale or within four months of attaining the age of fourteen months, whichever is the later. This guarantee shall be deemed to be fulfilled whenever one female animal is proved to be in calf by natural service to that bull, subsequent to the sale. A bull shall not be deemed to be incapable of putting a cow or heifer in a state of pregnancy by natural service on a semen test only.

6. The foregoing guarantee is subject to the following conditions –
(a)The bull shall be fairly tried with a view to him putting a cow or heifer in a state of pregnancy by natural service within two months of the date of sale or within two months of attaining the age of fourteen months, whichever is the later. For the purposes of this paragraph," fairly tried" shall not be deemed to have occurred when less than three female animals in season have been properly presented to or run with the bull.

(b)If, upon purchase of the bull, it is found impracticable for the buyer to fairly try the bull within the period stated at paragraph 6(a) above, due to the purchaser's normal calving programme, the vendor must be informed in writing immediately after the sale of the month in which it is proposed to commence using the bull. The vendor shall not unreasonably refuse to extend to the purchaser within seven days of receipt of the said notice in writing from the purchaser.

(c)The Purchaser shall give notice in writing by registered post to the vendor of an inability of the bull to put a cow or heifer in a state of pregnancy by natural service or a suspected inability in this respect, not before the expiration of one month nor after the expiration of three months from the date of sale or of the bull attaining fourteen months, or any extension of the commencement of the trial period granted pursuant to paragraph 6 (b) above or whichever is the later.

(d)On receipt of the notice referred to at Paragraph (c) above, the vendor shall forward to the Purchaser a Bull fertility report in the form approved by Mid Tipperary Co-Operative Livestock Society Ltd., which shall be completed by a qualified veterinary Surgeon declaring that the inability to put a cow or heifer in a state of pregnancy by natural service is not the result of injury, accident, disease or neglect happening after the sale, and that he has examined the cows or heifers on which the bull has been tried, and has found them in a normal breeding condition and that they are not responsible for the bull's inability to put a cow or heifer in a state of pregnancy by natural service.

(e)The purchaser shall give the bull every opportunity of proving himself capable of putting a cow or heifer in a state of pregnancy by natural service within the period of four months mentioned in the guarantee at paragraph 5(b) above and shall (if required) allow a veterinary Surgeon appointed by the vendor to examine and try the bull and in addition shall (if required) allow the Vendor to remove the bull to the Vendor's own or other premises in order to try the bull.

f)In the event of the vendor and the purchaser failing to agree on whether or not the bull is capable of putting a cow or heifer in a state of pregnancy in accordance with the foregoing provisions, or in the event of any other dispute arising between the par□es concerning the implementation or interpretation of this agreement, the said dispute shall be and is hereby referred to arbitration by a single arbitrator, to be agreed between the vendor and the purchaser (or in default of agreement to be nominated by the President for the time being of the Incorporated Law Society of Ireland), such arbitration to be conducted in accordance with the arbitration acts 1954 and 1980. The aforementioned referral to arbitration shall be a condition precedent to the commencement of any other legal action.

((g) In the event of the vendor and purchaser (or in default the Arbitrator) concluding that a bull is incapable of putting a cow or heifer in a state of pregnancy in accordance with the foregoing provisions of this Agreement, then the Vendor shall

- (i) Be bound to accept the return of the bull and on delivery of it to his premises (Unless some other Arrangements shall be mutually agreed upon) to refund to the purchaser the whole of the purchase price of the bull together with the expenses of the purchaser's veterinary surgeons, the cost of carriage from the purchaser's premises to the Vendor's premises, the carriage and keep of the bull from the date of notification of the claim, provided however that such expenses and costs shall not exceed an amount equal to ten percent of the sale price of the bull.

(ii) Pay the costs of the arbitration and the arbitrator in accordance with any direction given by the arbitrator in this regard. Save as aforesaid the vendor shall not be under any liability whatever to the Purchaser in respect of loss sustained by the purchaser however this loss arises and whether it be Consequential or otherwise.

7. Breeding Guarantee – Females. Any cow or heifer realising 500 gns, or more that is stated by vendor as having been served or artificially inseminated not less than 12 weeks before the date of the sale shall be guaranteed in calf to the service date or date of artificial insemination and to the bull stated, unless any alteration to the service particulars is announced from the rostrum or by the vendor at the time the animal is sold. The term"
running with the Bull" implies no guarantee of pregnancy unless specifically stated by the vendor at the time of sale, neither shall the provision by the vendor of a certificate of positive pregnancy diagnosis imply any such guarantee this being merely an expression of opinion. Every heifer sold as un-served shall be so guaranteed and all such heifers (unless sold suckling their dams) shall carry a guarantee that they are capable of breeding. Calves
sold suckling their dams are given to the purchaser free, and no guarantees apply unless specifically stated by the vendor at the time of sale. No claim under these Rules will be effective unless made to the Auctioneers or to the vendor within the following time limits, as applicable:

(a)In the case of a cow or heifer sold as being in calf which proved NOT to be in calf - within 49 days
of the date of sale.

(b)In the case of a cow or heifer which, although in calf, does not calve to the stated service or insemination date - within TWO CALENDAR MONTHS of the date that the animal should have calved according to the particulars of service or insemination stated in the catalogue of sale, in all such cases, no claim will be admissible unless there is an interval of more than four weeks between the presumed due date (according to the stated particulars of service or insemination) and the actual calving date.

NOTE the average gestation period for cattle is 285 days.

(c)In the case of a cow or heifer calves at a later date than the due date the onus of proving the identity of the service bull shall be upon the vendor.

(d)In the case of a heifer sold as un-served and which subsequently proved to be in calf - within SIX CALENDAR MONTHS of the date of sale.

(e)In the case of a maiden heifer which proves incapable of breeding because of malformation or abnormality of the genital system - not before the animal attains the age of TWENTY SEVEN MONTHS and no claim under this rule be admissible after the animal has attained the age of THIRTY SIX MONTHS. NOTE: Any female (cow or heifer) that has been flushed for embryo trans-plant will be EXCLUDED from the terms of this guarantee, but individual vendors of such animals shall have the option of giving their personal guarantee to be announced at the time of sale.

No claims will be admitted under these rules where it can be proved that a cow or heifer is carrying a mummified calf or has aborted or re-absorbed a foetus and no guarantee is given or implied that any cow or heifer will carry a calf full time. All claims must be submitted to the vendor and the manager of Mid Tipperary Co- Operative Livestock Society Ltd and shall be resolved in Accordance with the provisions of clause 6(f) of this agreement.

8. This agreement shall be interpreted in accordance with the law of the Republic of Ireland.

MID TIPPERARY CO-OPERATIVE LIVESTOCK SOCIETY LTD.

CONDITIONS OF SALE AT AUCTION OF PEDIGREE CATTLE

1. The highest bidder for each animal shall be the purchaser, and in the event of any dispute the Auctioneer shall have absolute discretion either to settle the dispute or re-offer the animal Immediately.

2. The Auctioneer may, without giving any reason thereof refuse to accept any bid and may with- draw, any animal for which the bidding is insufficient.

3. No person may advance less at a bid than a sum to be named from time to time by the Auctioneer, and no bidding may be retracted.

4. The vendor may bid for any animal or animals, and may withdraw any animal, or animals either personally, or through the auctioneer or through any person, as many times as they respectively, may think fit.

5. The purchaser of each animal shall give their name and address to the auctioneer and pay for all animals purchased by bank transfer, cheque, debit card or in cash, immediately at the close of sale. All lots will be sold in Euro. The Purchaser will pay VAT on fees. A buyer's premium of 5% will be charged. No animal or animals shall be removed from the sale premises until paid for in full and a pass-out slip is obtained from the Auctioneer.

6. Each animal shall be at the purchaser's absolute risk from the fall of the hammer and shall be removed from the sales premises at the purchaser's expense.

7. The right of property of each animal shall not pass to the purchaser until the full purchase price Is paid and the contract of sale is signed by the purchaser.

8. Care has been taken to ensure the accuracy of the catalogue, but no sale shall be invalidated by reason of any defect or fault in any of the animals by reason of the animals being incorrectly described in the catalogue, or by the Auctioneer in the ring, and no compensation whatever, shall be paid in respect of any such faults or errors of description.

9. All statements in the catalogue are made by the Auctioneer at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such Animal to any test administered a□er the sale, and the vendors shall not be in any way liable Should this occur.

10. Neither the vendors nor the Auctioneers will be responsible for any accident or any injury to persons or property through fire or any other cause whatsoever, nor for any damages by animals prior to, during or after the sale.

11. All animals are sold subject to the conditions of sale recommended for use at auctions for the sale of pedigree cattle by the Pedigree Cattle Breeders Council of Ireland.

12. The vendor gives no warranty whatever as to the fertility or performance of any bull, and each Purchaser is invited to ensure against this or any other risks, at his own expense.

13. Purchasers not complying with the above condition shall be subject, without further notice, to have their animals re-sold either by Public Auction, or by private treaty, at the discretion of the vendor, and the defaulter would be liable for any loss and expense that accrues on the re-sale.

14. Mid Tipperary Co-Operative Livestock Society Ltd accepts no responsibility for any errors or inaccuracies that may have occurred in the compilation of this catalogue.
