Data Collection Policy

General Data Protection Regulations (GDPR) requires data collectors to inform all individuals on the use and purpose of holding and managing their information.
Irish Angus YDP requires the above information solely in relation to activities of the YDP and none other, we will not share your information with others apart from the Irish Angus Cattle society and relevant show secretaries for the purpose of angus classes for shows competitions or farm events, we may also need to share your name and area with media sources for the purpose of photographs and articles in promotion our YDP competitions and to promote winners following the events.

We may request proof of age such as birth certs solely for the purpose of ensuring age entries to classes are correct and can be confirmed correctly.
Once we have all information collected, we will hold this on file for a period of 1 year from the date collected after which it will be deleted or disposed of and a new registration process will begin the following year.
The YDP run many events annually and will publish photographs of their events as well as enter on various social media platforms, should any YDP member not wish to have their photograph published or used on social media they will not be eligible to join the YDP
I give consent to Irish Angus YDP to use photographs and video for the purpose of promoting YDP events and activities.
To be able to enter in our main competitions, Members must have their own or their parents or guardian's animals registered with the Irish Angus Cattle Society for a min of 1 year.

Membership fee €10 to be paid to
